Natirar is a 411-acre county park and natural area located nearby in Far Hills, Peapack-Gladstone and Bedminster. Operated by the Somerset County Park Commission and formerly an early 20th Century estate, the property is rich in culture, history and natural beauty. The over two miles of trails open to the public wind along the scenic North Branch of the Raritan River and Peapack Brook corridors, through beautiful wooded areas, across fields and meadows, with scenic views and historic farm buildings and other structures dating from the mid-18th through mid-19th centuries. We will walk for about two hours on well-maintained trails. Park info and hiking map at <https://www.somersetcountyparks.org/natirar>.
